CHORDS & LYRICS

Switch on, Switch off

Bm

Every day I have a choice
Switch on, switch off
Fill my head with useless junk
Switch on, switch off

Bm A G F# Bm

And they're shouting at me to follow their gods
And they're howling outside like a pack of dogs
Switch on switch off

A G (Bm)

There is peace with you
And the static is gone
When you hold my hand
And say 'keep on'

A G (Bm)

Don't need to pretend
Wear a mask for show
Your love is enough
Wherever I go

Bm G D A

The waves are still
The rain dries up
The storm is silent when you say 'stop'
The wolves can howl
Scratch at the door
You land me safely on the shore

Bm A G (D F#)

And it's you, It's you
It's always been you
The power of three to carry me through it all

Thirsty Dog

Looking for some water
In this desert town

C G D

You bring life, you bring rain, heal the hurt and soothe the pain

C G D

If I drink from you I won't be parched again

Em [riff notes: F# G A]

I'm a thirsty dog
But I have a hope (yeah yeah yeah)
With you beside me I can cope
with the daily slog
With the daily moan
With the useless things
Keep me far from home
